

I am very concerned over the possibility of losing such a positive, uplifting station as KLOVE. I and my husband are the parents of six children (ages 8-17). There are so many negative influences that our children are surrounded with each day. KLOVE is THE ONLY station I can leave on 24/7 and know that my children will not hear anything that could harm them. I have had the opportunity to experience the power KLOVE can have on a person's life that is going through life's sometimes unbearable situations. Seven years ago my first husband was killed in a car accident and I was left to raise our 3 children alone. Without the support and prayers of KLOVE, I wouldn't have had the strength to get through that time in my life. Please don't remove the only positive station we have available to us. Thank you.
